# Canadian Task Force on Preventive Health Care

## Public Record of Meeting

### **1 Review and approval of March 2012 Meeting Minutes and Action Items**

Members reviewed the minutes of the previous meeting and noted action items that were completed.

### **2 Diabetes Working Group Update - Kevin Pottie / Lisa Pogany**

An update was provided regarding the Working Group's activities in developing recommendations and its liaison with stakeholders including the Canadian Diabetes Association and the Canadian Medical Association Journal.

### **3 Cervical Cancer Working Group Update - James Dickinson**

Dr. Dickinson provided an update regarding the Working Group's activities and the reviewers' response to draft recommendations. Many individuals have sent useful comments about recommendation statements and these will be considered by the Working Group.

### **4 Childhood Obesity Working Group Update - Patricia Parkin**

Dr. Parkin noted that the draft protocol has been sent to reviewers and that there has been some ongoing confusion regarding the definitions of primary, secondary and tertiary prevention. The Healthy Kids Panel (Ontario) was discussed.

### **5 Depression Working Group Update - Alejandra Jaramillo**

The Working Group is considering a number of options regarding the development of possible recommendations.

### **6 Hypertension Working Group - Patrice Lindsay**

Recommendations have been developed and will be submitted to the CMAJ. The Working Group will meet to further discuss a strategy for knowledge translation.

# Canadian Task Force on Preventive Health Care

## Public Record of Meeting

### **7 Adult Obesity Working Group – Paula Brauer**

The ERSC is conducting a review of the USPSTF secondary prevention guideline and will be conducting a new review for the primary prevention component.

### **8 Breast Cancer Working Group Update Richard Birtwhistle**

An update was provided on the uptake of the CTFPHC guideline by various groups.

### **9 Knowledge Transfer Working Group Update – Lisa Pogany**

The diabetes knowledge transfer tools are under development including a clinician and patient algorithm tool and a patient FAQ document.

### **10 E-health Working Group Update – Richard Birtwhistle**

Task Force members discussed the possibility of app development.

### **11 Critical Appraisal Working Group – Patrice Lindsay**

This Working Group is making progress and is working with Task Force members to complete a review.

### **12 Patient Preference Working Group – Gabriela Lewin**

A draft methods document has been prepared and input will be sought from members.

### **13 Timeline Update – Alejandra Jaramillo**

Alejandra provided an overview of the timeline for the publication of various guidelines.

### **14 Task Force Members' Term – Marcello Tonelli**

Dr. Tonelli provided several options to members as they approached the end of their term and suggested staggering membership periods.

# Canadian Task Force on Preventive Health Care

## Public Record of Meeting

### **15 Topics for New Guidelines – Marcello Tonelli**

Members reviewed the topic selection process and discussed potential new topics to begin this fall.

### **16 Document Repository – Alejandra Jaramillo**

It was agreed that CTFPHC members should be able to access documents from a secure portal and this possibility will be further investigated.

### **17 Next Steps and Adjournment**

Drs. Tonelli and Birtwhistle thanked members for their contributions and recognized the work of the CTFPHC Staff. The next CTFPHC meeting will take place in October or November 2012.
